- Water-soluble pouches eliminate direct contact with chemicals
- Enzyme enhanced for stain removal and brighter colors

CARE FOR WORK ENVIRONMENTS®

# LAUNDRY DETERGENT H.E. PACKETS

## POWERFUL AND CONVENIENT

Pyxis™ Laundry Detergent comes in portion-sized, water-dissolvable packets. Just toss one packet into the washer with your dirty clothes for excellent results and bright colors in cold, warm, or hot water. The detergent contains low-foaming surfactants, enzymes, and a non-chlorinated bleach. The perfect tool to power out heavy soils and stains in high-efficiency washers with low water levels.

## ELIMINATE WASTE AND OVERUSE

Use State Cleaning's Pyxis™ Laundry Detergent to eliminate waste and overuse of product. The prepacked portions come stored in 100% recyclable tubs and the packet packaging prevents detergent spills and having to clean out your soap dispenser.
